

2017 Spring SIG

Developmental Evaluation: One Approach to Evaluation in Complex and Changing Environments

Guest Presenters

Ruth Baumann,
Researcher and Partner, Directions
Evidence and Policy Research Group

Richard Franz,
Assistant Deputy Minister (A),
System Planning, Research and
Innovation Division

**MAY 26, 2017 @ Toronto District School Board, Boardroom (Second floor)
1 Civic Centre Court, Etobicoke, ON**

Here's a great opportunity to learn about an evaluation approach that will help boards use evidence and rigorous real time feedback to improve the design of a new initiative as it is being implemented.

Learn about....

- ❖ Developmental Evaluation as an approach that has enabled Ontario's education system to adapt, innovate and evolve over time
- ❖ The approach to monitoring, evaluation and research, as well as the design, implementation and interconnected processes
- ❖ The latest developments regarding Developmental Evaluation and Ontario's Renewed Math Strategy.

Opportunities to network and connect with other researchers from across the province will be provided throughout the day.

9:00 a.m. to 2:00 p.m. (registration opens at 8:30 a.m.)

Refreshments and light lunch to be served.

ON-LINE Registration is open! Please click here: <https://zone4.ca/register.asp?id=15424>

Registration is on a first come, first served basis.
