

THE ASSOCIATION OF EDUCATIONAL RESEARCHERS OF ONTARIO | L'ASSOCIATION ONTARIENNE DES CHERCHEURS ET CHERCHEUSES EN ÉDUCATION

Dear AERO-AOCE members,

Under the leadership of the AERO-AOCE Executive Committee, we are pleased to distribute the attached Nomination Form, which is also available on the AERO-AOCE website.

As per the AERO-AOCE constitution, nominations can be submitted to the AERO-AOCE Executive by AERO-AOCE members.

Nominees must:

- 1) be current AERO-AOCE members;
- 2) be currently employed by an Ontario School Board or currently enrolled in a graduate program in educational research;
- 3) complete the attached Nomination Form including a signature of endorsement from three (3) AERO-AOCE members in good standing (current members with all dues paid) and submit the completed form to the AERO-AOCE President (Mariangela.Artuso@tcdsb.org)

The deadline for submission is ongoing.

For nominations received prior to the annual Fall Conference, AERO-AOCE members will be informed of the list of AERO-AOCE members nominated to fill the available positions. The proposed slate of officers, including returning Executive members and the newly elected Executive members, will be presented as a motion for acceptance at the AERO-AOCE Annual Business Meeting (ABM). The ABM will be held at the AERO-AOCE Fall Virtual Conference on Friday December 11, 2020.

For nominations received outside of the annual Fall Conference timeframe, AERO-AOCE members will be informed of the nominee(s) by email and will be provided two weeks to communicate any objections with the nomination. If there are no objections, an official email will be sent to members confirming the full slate of officers.

For those considering this opportunity, it will be helpful to know that AERO-AOCE Executive members participate in monthly meetings and are expected to assume roles of organizational leadership (e.g., AERO-AOCE subcommittees, assist with membership functions, etc.). For more information on the duties of an Executive member, or on the nomination process, please contact Mariangela Artuso, President, AERO-AOCE.

Thank you,

Mariangela Artuso
President, AERO-AOCE
