

An Introduction to Virtual Facilitation Skills

Benefits of Attending:

Are you new to the world of facilitating virtual meetings and workshops? Or maybe you've done a few and are looking for practical tips to improve?

Moe Poirier, Founding Partner, from Shift Facilitation works with clients big and small who want to improve the virtual experience. He has a proven set of best practices he has offered to share with us. With Moe's help we'll unlock the core techniques that a skilled facilitator uses to animate exceptional virtual meetings and learning experiences.

What to Expect from the Session:

Come prepared to interact and actively participate. During the session, you will discover:

- ◆ Key ingredients that enable skilled facilitators to engage audiences and animate learning experiences in a virtual room
- ◆ Refreshingly unique perspectives on the core facilitation strengths necessary to achieve Virtual Excellence™

A note about Shift Facilitation:

At Shift, we believe that at the heart of an exceptional meeting or learning experience, especially virtual ones, there is likely to be a masterful facilitator. A facilitator who transforms the virtual environment, and ensures the experience is both productive and engaging. A facilitator who inspires action in others and drives results for the organizations they serve.
